

## SYSTEM AND METHOD FOR REQUESTING AND DISPENSING NEGOTIABLE INSTRUMENTS

## Abstract of the Disclosure

The present invention provides a system and method for requesting and dispensing negotiable instruments such as bank checks, money orders, and traveler's checks. An instrument may be requested in this system and method by a bank customer from a telephone, a computer, a fixed-location dispenser, or a portable, hand-held dispenser that is in communication 10 with a bank computer. This request may be made orally, using touch tones, or using data transmission over a communication network that may include telephone lines, two-way radio links, microwave links, satellite links, cellular telephone links, computer networks, and the 15 Internet. After a request is processed and approved, the requested instrument may then be dispensed at any time in this system and method to the bank customer or another party from any receive-only dispenser, fixedlocation dispenser, or portable, hand-held dispenser 20 that is also in communication with the bank computer.
